How we were elected

By class votes.

What is school council?

We meet up once a month on Friday. We talk about how to make our school better and how to raise money for charities.

What does the school council do?

In each classroom there is a school council box or bag. Everyone in the school can put comments in these. School Council read the comments at our meetings. We then decide what to do next.

Reporting back

We report back to the whole school in Friday celebration assembly.

What we are doing now?

We are working together on ideas to make our playtimes better.
