Read Write Inc Workshop

Having completed the third week of our new reading and writing programme we would like to invite parents with children in KS1 (Yrs1 & 2) and Reception to come in and hear all about the programme. Mrs Holland will be running a workshop all about it on Friday 27th January at 2.30pm. We look forward to seeing you.

Online Reporting Workshop – Thursday 2nd February

I will be offering an introductory session about on line reporting to parents with children in Y1 or 2 and if Y3 missed their workshop before Christmas. Online reporting is a programme that enables you as parents to be kept up to date with how your child is progressing through the year. You will be given a confidential password that will allow you to access your child's information. In the workshop I will be explaining assessments of your child and the simple aspects of the programme. Please do come along and find out more.

Finally – just to let you know there have been a number of cases of 'little visitors' reported! Please ensure you check your child's hair regularly – thank you.
