

Welcome to the March edition of the PTFA newsletter.

We're developing some exciting spending plans for the children and the school - focussing on more school trips, the regeneration of the old mobile area and hopefully another outdoor attraction for the children .

*We are however desperately short of committee members and volunteers for events at the moment. We don't want to cancel events due to lack of help so please read on, and if you can give us even half an hour of your time to help with a stall or prepare for an event detailed in the newsletter it would be great!*

*Remember—everything we do is for the benefit of the children!*

If we don't have enough volunteers the Fair may not happen....

**We are keen to start securing great prizes for the raffle from now onwards, so again if you can help please contact us.**

Thank you in advance!
